

## **International Educational Service Award**

We have a new award starting this year - the International Educational Service Award. This award will be for a member of the community who has contributed to MAIE and to the mission of promoting international education in Michigan.

Nominations are for those professionals in the general community whom MAIE members work with. The nominee's efforts have positively affected international initiatives that move our mission forward to bring quality international education to our students from Michigan or while in Michigan. The nominees work have a direct impact on our students' experiences and nominees have assisted with a quality educational experience for the students as well as making our jobs in international education more streamlined within the community beyond our campuses.
